

FIRST AMENDMENT TO VALLEY COMMUNICATIONS CENTER INTERLOCAL AGREEMENT

RECITALS

A. The undersigned municipal corporations, Auburn, Federal Way, Kent, Renton and Tukwila, the "Member Cities" which compose the Valley Communications Center ("VCC") entered into an Interlocal Agreement ("VCC Interlocal Agreement") on or about April 17, 2000, that sets forth certain provisions, rights and obligations among the Member Cities.

B. The Valley Regional Fire Authority ("VRFA") is a new Regional Fire Protection Service Authority formed to provide fire and emergency medical services within its jurisdictional boundaries which boundaries include the City of Auburn.

C. The VCC Interlocal Agreement permitted the City of Federal Way to enter into a further interlocal agreement with King County Fire Protection District No. 39 for purposes of providing fire and emergency medical services dispatch via the City of Federal Way's membership in VCC.

D. The City of Auburn now seeks to enter into an interlocal agreement with VRFA and VCC for the same purpose and in the same manner.

E. The City of Federal Way seeks to have VCC recognize King County Fire Protection District No. 39 as the Federal Way Fire Department's successor in interest for all purposes under this Agreement.

NOW, THEREFORE, in consideration of the mutual rights and obligations established in the Amendment, the Member Cities hereby agree as follows:

AGREEMENT

1. The following provisions are hereby added to the VCC Interlocal Agreement:

Per Auburn City Council Resolution 4091 and subsequent approval by public vote, fire protection and emergency medical services previously provided by the City of Auburn became the responsibility of VRFA, a Regional Fire Protection Service Authority, which subsequently began providing fire protection and emergency medical services to the City of Auburn effective January 1, 2007. VCC acknowledges VFRA will function as do the other Member City Fire Departments, for purposes of its representation on the Operating Board and for purposes of calculating and remitting payment for dispatch services.

It is acknowledged that King County Fire Protection District No. 39 is the successor in interest to all rights and obligations of the Federal Way Fire Department and will be recognized as such for all purposes under this Agreement.

2. The other terms of the VCC Interlocal Agreement shall remain the same and shall be in full force and effect.

3. This Amendment may be executed in any number of counterparts, each of which shall be an original, but those counterparts will constitute one and the same instrument.

4. This Amendment shall be effective upon the last date of execution.

IN WITNESS WHEREOF, the undersigned hereby affix their hands and seals.
