

**SECOND AMENDMENT TO VALLEY COMMUNICATIONS CENTER
INTERLOCAL AGREEMENT**

RECITALS

A. The undersigned municipal corporations, Auburn, Federal Way, Kent, Renton and Tukwila, the "Member Cities" which compose the Valley Communications Center ("VCC") entered into an Interlocal Agreement ("VCC Interlocal Agreement") on or about April 17, 2000, that sets forth certain provisions, rights and obligations among the Member Cities.

B. The Kent Fire Department Regional Fire Authority ("KFDRFA") is a new Regional Fire Protection Service Authority formed to provide fire and emergency medical services within its jurisdictional boundaries which boundaries include the City of Kent.

C. The VCC Interlocal Agreement permitted the City of Federal Way to enter into a further interlocal agreement with the Federal Way Fire Department (now merged with South King Fire and Rescue) for purposes of providing fire and emergency medical services dispatch via the City of Federal Way's membership in VCC.

D. The First Amendment to the VCC Interlocal Agreement permitted the City of Auburn to enter into the same arrangements with the Valley Regional Fire Authority.

E. The City of Kent now seeks to enter into an interlocal agreement with the KFDRFA for the same purpose and in the same manner.

NOW, THEREFORE, in consideration of the mutual rights and obligations established in the Amendment, the Member Cities agree hereby as follows:

AGREEMENT

1. The following provisions are hereby added to Section 1 of the VCC Interlocal Agreement:

The City of Kent may enter into an interlocal agreement with KFDRFA for the purposes of providing fire and emergency medical services dispatch via the City of Kent's membership in VCC. Upon execution of the interlocal agreement, the City of Kent may, at its option and under such terms and conditions as Kent deems proper, appoint KFDRFA to function as to the other Member City Fire Departments, for purposes of its representation on the Operating Board and for purposes of calculating and remitting payment for dispatch services. VCC and KFDRFA shall mutually indemnify one another without passing that indemnification through the City.

The Valley Communications Center Administration Board is hereby vested with the authority to vote to approve permitting further interlocal agreements between Member Cities, VCC and a Regional Fire Authority, Fire District or other legal entity formed for purposes of providing fire protection and emergency medical services to said Member Cities for the purpose of permitting said Member Cities to have representation on the Operating Board and for calculating and remitting payment for dispatch services at Member City rates.

2. The other terms of the VCC Interlocal Agreement shall remain the same and shall be in full force and effect.

3. This Amendment may be executed in any number of counterparts, each of which shall be an original, but those counterparts will constitute one and the same instrument.

4. This Amendment shall be effective upon the last date of execution.

IN WITNESS WHEREOF, the undersigned hereby affix their hands and seals.
